Welcome to SUBARU Care. These Terms of Use apply to the SUBARU Care app and the content, services, application software, etc. made available from the SUBARU Care app, as well as to the creation and use of your SUBARU Care account.

SUBARU Care account means your Subaru Account that is accessible through the SUBARU Care app;

Services means providing access to and managing your SUBARU Care Account that is accessible through the SUBARU Care app;

Terms of Use means the present Terms of Use;

SE means Subaru Europe NV/SA, a limited liability company incorporated under Belgian law, having its registered offices at 1930 Zaventem, Leuvensesteenweg 555/8 (Belgium) and registered with the Belgian Crossroads Bank of Enterprises under company number 0438.574.810;

We, our or **us** means Subaru Europe NV/SA, a limited liability company incorporated under Belgian law, having its registered offices at 1930 Zaventem, Leuvensesteenweg 555/8 (Belgium) and registered with the Belgian Crossroads Bank of Enterprises under company number 0438.574.810;

Third Party Service Provider means any service provider(s) other than SE that provides the Services to you;

User, you or **your** means any natural or legal person that has subscribed to the Services through his/her/its SUBARU Care account.

2. THESE TERMS OF USE ARE A CONTRACT BETWEEN YOU AND US

By subscribing to the Services, you conclude a contract with us for the provision by us and use by you of the Services, the SUBARU Care app and your SUBARU Care account. That contract is governed by these Terms of Use.

3. SUBARU CARE ACCOUNT

3.1. If you open and use a SUBARU Care account, you are responsible for maintaining the confidentiality of your SUBARU Care account and related password, as well

as for restricting access to the device(s) through which you access your SUBARU Care account (for example, your computer) to prevent unauthorised access to your SUBARU Care account. You agree to accept full responsibility and are liable for all activities that occur under your SUBARU Care account or related password. You should take all necessary steps to ensure that your SUBARU Care account related password is kept confidential and secure. You should also inform us immediately if you have any reason to believe that your password has become known to anyone else, or if the password is being, or is likely to be, used in an unauthorised manner.

You can always reset your password by going on the "Log in" page and clicking on "Forgot your password?", or change your password in the Account section by clicking on "Change password".

3.2. Please ensure that the details you provide to us are correct, up-to-date and complete. Please also inform us immediately of any changes to the information you provided us when opening your SUBARU Care account or afterwards. You can access and update much of the information you provided to us in the Account section of the SUBARU Care app.

3.3. SE reserves the right, at all times and at its discretion:

3.3.1. to refuse access to the SUBARU Care app,

3.3.2. to refuse the opening of your SUBARU Care account, and

3.3.3. to terminate or remove your SUBARU Care account.

3.4. If your SUBARU Care account related information indicates that you have not been active on your SUBARU Care account for a period of 6 months or you have not fully activated your SUBARU Care account, then SE shall notify you that it shall delete your SUBARU Care account (including any Personal Data that is processed when accessing and/or using the SUBARU Care app) 14 calendar days before closing your SUBARU Care account.

If your SUBARU Care account related information indicates that you own one or more Subaru vehicles and that you have not logged in on your SUBARU Care account for 5 years, we will consider that you do not wish to keep your SUBARU Care account and no longer wish to rely on certain of its features that are linked to the ownership and use of your vehicle(s) (for example, the link between the use of a connectivity device in your car and your SUBARU Care account). We will then close your SUBARU Care account and delete your Personal Data related to your SUBARU Care account.

14 calendar days before effectively closing your SUBARU Care account and deleting your Personal Data, we will send you an e-mail so that you can confirm whether or not you want to keep your SUBARU Care account.

The above applies equally if your SUBARU Care account related information does not indicate that you do not own a Subaru vehicle and you have not logged in on your SUBARU Care account for 2 years.

- 4.3. SE may also block or prevent access to your SUBARU Care account in case of a (suspected) breach of confidentiality/security of the account or a misuse thereof.
