

Subaru teases on first all-electric SUV

Zaventem, 31st August 2021 – Subaru Europe, the European subsidiary of Subaru Corporation, today announced they have opened a teaser website ahead of the global introduction of Subaru's first all-new electric SUV.

Named SOLTERRA, Subaru's all-electric SUV will be the company's first model built on the e-Subaru Global Platform and is scheduled to launch globally sometime next year.

About Subaru Europe NV/SA

Subaru Europe NV/SA is a fully-owned subsidiary of Subaru Corporation, the manufacturer of Subaru vehicles in Japan. Headquartered in Zaventem, Belgium, Subaru Europe acts as a local hub for all Subaru importers in Europe. It supports the distribution network via a number of functions. These include product and service training, trading, brand marketing, product marketing, market research and public relations as well as the development, testing and distribution of Subaru genuine parts and accessories.
